• Our Week •

English

This week we are working on peer reviews and second drafts of the problem and solution writing composition

Math: unit 6

This week we are beginning the 6th Unit: **Investigations in Measurement; Decimal Multiplication and Division**: Students develop strategies for multiplying and dividing decimals, use measurement data to create line plots, and revisit volume concepts. They also apply their understanding of multiplication and division by powers of 10 to solve measurement conversion problems in the metric system.

Units of Inquiry- Unit 5: How we Express Ourselves

We are practicing and memorizing our scripts for our summative presentation!

Important Events

- **EVERY DAY 1 AND 4**: there will be House competitions during recess time, so every student should bring their **House shirt** for those days.
- **May 11th**: Year 2 will be hosting a bake sale to raise money for the Social Program classroom
- **May 15th**: MAP testing begins

From the Teacher

- **For any type of suggestions or complaints, you can share them here:** <https://docs.google.com/a/ksi-bogota.com/forms/d/e/1FAIpQLSehuw3-oVuevbjSwecz-dytiGKAfWDgcoC5GrPUuz1HDleIA/viewform?c=o&w=1>

Weekly Words

This week's spelling words can be found in the current lesson of the Journeys' English Workbook
